Step 2: Push forward on tab, insert web through 2nd slot.

Step 3: Cinch down tight and you're done!

Features and Benefits of the "T.H.E. Belt" :

- **QUIET**: No moving parts to rattle and clank when answering Nature's call, tucking in shirts, etc.
- **COMFORTABLE**: 1.75" Nylon web keeps its shape under load and won't bind around the waist.
- **PERFECT FIT**: Unique "No-holes" design allows for fully adjustable sizing – gives you the perfect fit!
- **EASY TO USE**: "Flip-Tab" buckle design allows for quick and easy belt sizing / adjustment.
- **DURABLE**: Made from the best "Battle-Tested" materials; Buckle is cold stamped from 6061-T6 heat-treated Aluminum and is powder coated for a durable non-glare finish. Nylon webbing holds its shape and is highly abrasion resistant.

100% MADE IN TEXAS
